

Royal Dine™ Screenshots

1. Opening UI

The screenshot shows the opening user interface of the RoyalDine application. At the top, there is a dark red header bar with the text "RoyalDine™" in white, followed by the tagline "A smart solution for managing meal!". Below the header, the main content area is white. On the left side, there is a vertical navigation menu with icons for Home, Users, Orders, and Reports. The main content area features a "User login" section with a "Switch to admin" link, input fields for "Username" and "Password", and a red "Login" button. Below the login section, there is a link to "Register today!" for users who are not registered. At the bottom of the page, there is a footer with the copyright notice "Copyright © 2018 Sanvi Tech".

2. New User Registration Panel

The screenshot shows the new user registration panel of the RoyalDine application. At the top, there is a dark red header bar with the text "RoyalDine™". Below the header, the main content area is white. On the left side, there is a vertical navigation menu with icons for Home, Users, Orders, and Reports. The main content area features a "Sign up to RoyalDine™" section with a light blue border. Inside this section, there are input fields for "Fullname", "Username", "Password", and "Retype-Password", followed by a green "Register" button. At the bottom of the page, there is a footer with the copyright notice "Copyright © 2018 Sanvi Tech".
